E-Courtroom Policies

Courtroom 110 is an “e-courtroom” and provides state of the art equipment for case presentation.

The e-courtroom does not have a court reporter present. With this new technology, a court reporter is likely not required and the parties are encouraged to experience the court’s digital recording system before requesting a court reporter.

If a court reporter is required, the court must receive a separate written request at least 72 hours before the commencement of the proceeding. Failure to timely request a court reporter will be deemed consent to proceed without a court reporter.
