Case status is discussed. The court is advised that the parties have not yet participated in the settlement conference they agreed to in November, 2010 because of a dispute concerning an appraisal.

Discussion is held regarding Plaintiff's Motion for Summary Judgment which was electronically filed on January 20, 2011. Once fully briefed, the court will rule on it in the normal course and will set a new deadline for the parties to participate in a settlement conference if necessary.

11:20 a.m. Conference concludes.
