v.

KEVIN KING, et al.

JOHN A ELARDO

RULING

The Court has considered Defendants' Motion in Limine No. 8 re: Stigma Damages and Plaintiffs' Response.

Defendants request that the Court preclude Plaintiffs from introducing evidence of stigma damages, or the diminution in value of Plaintiffs' property from the flood. The Court agrees with Plaintiffs that this motion is really a motion for summary judgment in disguise. It is untimely. Accordingly,

IT IS ORDERED denying Defendants' Motion in Limine No. 8 re: Stigma Damages.
